

# Bruce Gibson's opponent is making stuff up ... again.

## Why?

Because he's clearly lacking experience, policy ideas, knowledge of Prop. 13 or how CA government works.

## Seriously lacking.

This man from Missouri recently moved here. He'd have you believe the SLO County Board of Supervisors can "abolish" Prop. 13. Incredibly, he might even believe it.

Here are some things Bruce Gibson's opponent should know:

- Bruce Gibson opposes eliminating Prop. 13.
- The provisions of Prop. 13 were made part of our state's Constitution by the voters. Any changes to Prop. 13 can only be made by another vote of the people.
- Gibson swore an oath to uphold the state Constitution, which includes all provisions of Prop. 13 – and he honors that oath.
- Those are facts. Don't be fooled by this man from Missouri.
