

Supervisor Gibson's opponent promised to run a dirty campaign. Dark-money front groups backing him have delivered.

You gonna buy what they're selling?

Insinuation, innuendo and outright lies about

- Public safety
- Prop. 13
- Election fraud
- "Corruption"

Quite a package – and cheap!

Don't buy the lies the con artists are selling.

Here's the truth:

- Gibson is endorsed by retired police chiefs, probation officials, judges and fire chiefs who know his commitment to public safety.
- Gibson supports Prop. 13 – only voters can change or eliminate it.
- Elections in SLO are secure and accurate – Gibson's opponent panders to those trying to undermine democracy.
- Gibson's opponent peddles evidence-free corruption stories.
